Cookie Policy

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer (if you consent to us using cookies). Cookies contain information that is transferred to your computer's hard drive. Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our website. You can find more information about the individual cookies we use and the purposes for which we use them in the table below.

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

Most web browsers allow some control of most cookies through the browser settings. To find out more about cookies, including how to see what cookies have been set and how to manage and delete them, visit www.allaboutcookies.org.

Except for essential cookies, all cookies will expire after 30 days.

Cookie	Name	Purpose
Sharethis	__stid	Registers a unique ID that identifies the user's device for return visits.
Sharethis	__unam	Saves the user's navigation on the website including what pages have been viewed and how long the browser has been used to view each page.
Stripe	__stripe_mid	A token set by Stripe (payment provider) to facilitate the payment of online orders.
Stripe	__stripe_sid	A token set by Stripe (payment provider) to facilitate the payment of online orders.
Stripe	nsr	Payment processor
WooCommerce	wc_cart_hash_#	Stores a visitor's shopping basket.
WooCommerce	wc_fragments_#	Stores a visitor's login information so they don't need to keep logging in if browser closed.
Wordpress	wfvt_#	Remembers the user's submitted data when a comment is submitted in a blog post. The purpose is to auto-populate form fields for subsequent comments, in order to save time for the user.
WordPress	wordfence_verifiedHuman	Used for the security of the website offer.
Youtube	PREF	Registers a unique ID that is used by Google to keep statistics of how the visitor uses YouTube videos across different websites.
Youtube	VISITOR_INFO1_LIVE	This cookie is set by Youtube to keep track of user preferences for Youtube videos embedded in our site.
Youtube	YSC	Tracks views of embedded videos.
	cookie_notice_accepted	Set by the cookie notice plugin to record that you accept the fact that the website uses cookies.
	laravel_session	Identifies a session instance for a user.
	XSRF-TOKEN	Security token.
